

#### **HCM 1: Model Organizational Structure**

**Exercise** Model the organizational structure.

Time 10 min

Task Sketch an organizational structure including four hierarchy levels for the organizational units described in the Global Bike scenario and integrate a new security unit into the Administration department of this organizational structure. The Global Bike Group has a subsidiary company, Global Bike Inc. Global Bike Inc.'s headquarters are located in Dallas and it is registered as a US company. Global Bike Group also operates a subsidiary company, Global Bike Germany GmbH based in Heidelberg. A new security department should be set up and integrated into the existing organizational structure of Global Bike Inc. The new department obtains its offices at the group's headquarters in Dallas and belongs to the Administration and Financials department. Have a look at Global Bike Group's company story in order to complete the exercise.

### HCM 2: Analyze Organizational Structure in SAP

| Exercise Analyze the SAP S/4HANA organizational structure.                                    | Time 10 min |
|---|-------------|

|  |             |

#### HCM 4: Display Organizational Plan

**Exercise** Display the organizational plan of the Global Bike Group.

Time 10 min

**Task** Use the SAP Fiori Launchpad to review the organizational plan of the Global Bike Group.

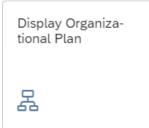

Name (Position) Sang Cha (Personnel Administrator)

The **Organizational Structure** is composed by the enterprise structure, the personnel structure, and the organizational plan. Before the employee's personnel master data can be entered an organizational structure needs to be defined. Employees are integrated in this structure. The Enterprise Structure represents formal and financial structures in a company and is basically composed by the company code, the personnel area, and the personnel subarea. The Personnel Structure displays the relationship between employees and assigns them to certain employee groups and subgroups. The structural and personnel company model is illustrated in the Organizational Plan.

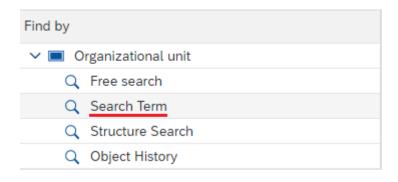

Organizational Structure

To review the organizational plan, in the *Human Capital Management* space choose the *Personnel Management* page. In the *Personnel Administrator* section, open the *Display Organizational Plan* app.

Start

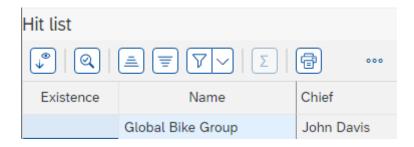

To display the organizational plan of the *Global Bike Group* have a look in the *Find by* area on the left side of the screen. There, choose **Organizational unit**  $\rightarrow$  **Search Term**.

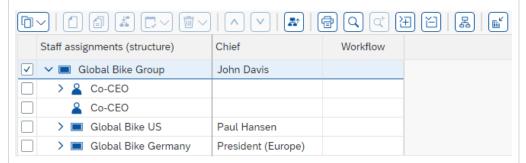

Global Bike Group

In the following screen, in the *With name* field, enter the search term **Global Bike Group** and press the 

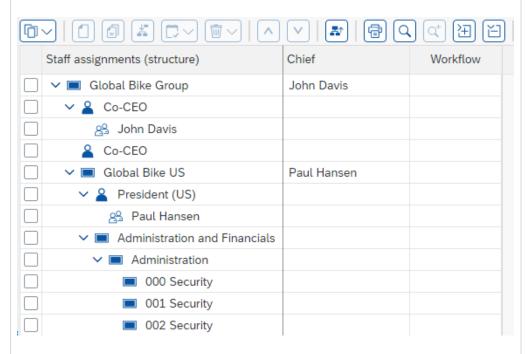

Find button. The search result is displayed in the Hit list on the left side of the screen.

After double-clicking on this unit, the organizational plan is displayed in the structural view on the right side of the screen.

In order to view all departments and positions within the Global Bike Group, expand the organizational plan by clicking on (Expand node).

Organizational units are represented by  $\blacksquare$  icons, while positions are displayed as  $\triangleq$  (head of organizational unit) or  $\triangleq$ . Persons that staff regular positions are represented by the  $\triangleq$  icon.

| With the help of this information, please answer the following questions:  |
|--|
| How many positions are planned for the organizational unit <i>Sales Area US</i> West?  |
| Does the Software department have a head of department?  |
| n the organizational plan, go to <b>Global Bike US</b> Administration and <b>Financials</b> and double-click on the Financials Department.   |
| 🗓 Details for Organizational unit Financials   |
| ✓ Basic data     Account assignment     Org. data     ✓ Address     Cost distribution     Working time     Quota Planning     Max Budget       Organizational unit:     Financials     Financials     Valid On: 04/19/2022 |
